

**Chowan University  
Fall 2018**

**Final Examination Schedule**

**UNDERGRADUATE DAY  
ADULT DEGREE COMPLETION PROGRAM  
GRADUATE PROGRAM**

A final examination is to be given in all courses on the day and at the time scheduled. Rescheduling a final examination for a class requires permission from the department chair and the school dean. A faculty member may, with the approval of the department chair, substitute other forms of evaluation appropriate to the objectives of the course for the prescribed final examination in special circumstances. In this case, the department chair approves the action and informs the school dean. In rare cases, it may be necessary to reschedule a final examination for an individual student. The student must have permission from the dean to reschedule a final examination.

- **Students with three or more examinations on the same day may appeal to the dean for such permission; in such cases, if necessary, the dean will assist the student in rescheduling.**
- **Students cannot use travel arrangements as justification for requesting exam time changes.**
- Physical education activity courses give final exams during the last week of classes. **All other courses will meet at the scheduled exam time to conduct final testing or to accomplish some other meaningful educational activity.**
- Faculty should not reschedule an exam for a group of students in a time slot that has been set aside for another class time. Doing so places a burden on students and other faculty for rescheduling.
- **CU 101 – First Year Experience I does not have a final examination.**

**Any exceptions to the schedule below and policies above must be approved by the appropriate Dean.**

**ON-LINE CLASSES**

Final exams for on-line classes must be scheduled during final exam week.

**LESS THAN FULL-TERM CLASSES**

Final exams for less than full-term classes must be scheduled for the last class meeting.
