All campus buildings and parking areas are the private property of Chowan University. All persons and vehicles entering the private property of Chowan University are bound by all campus parking rules and regulations when driving or parking a vehicle on campus. All parking areas on campus are permit parking only. All vehicles being operated by students, faculty and staff are to be registered. All vehicles on campus are checked periodically. Parking regulations and towing are enforced 24 hours a day. All parking and traffic violations must be paid or appeals completed within 5 days of the date on the ticket. All students, faculty and staff are required to know and abide by the campus parking rules and regulations explained in the student handbook.
